If you are experiencing infertility, you are not alone! Estimated on a global scale to affect one in four couples, this phenomenon causes incredible anguish to those experiencing it. Until now, support for infertile couples has been limited to medical procedures such as IVF, which fail miserably in supporting patients in a physical, spiritual and emotional capacity. *Surviving Infertility and IVF* offers powerful and practical selfcare strategies to ensure that you not only survive your infertility journey, but also thrive because of it. Presenting new and powerful perspectives on this global disease, this ultimate infertility guide seeks to uplift you with its authenticity and ingenuity.
