Die Argonauten. Anselm Kiefer (eng/ger(esp)) Anselm Kiefer

This is the third title in the LiberArs Series collection. It is dedicated to Anselm Kiefer's unpublished work, called "Die Argonauten", in which he reinterprets the myth of Jason and the Argonauts through a casual discovery. After having coffee and cake with some of his collaborators, Kiefer's table looked like a battlefield. This image inspired him to recreate the quest for the Golden Fleece through symbolic and poetic images.
