Présentation de l'éditeur

Artist duo DABS MYLA staged their most ambitious exhibition ever in the fall of 2015, taking over a 4,000 square foot factory building in Los Angeles. The building was fully transformed as they lavished its interior and exterior with paintings, sculptures, installations and furnishings. From limited-edition fiberglass shell chairs and hand-painted ceramics to custom-built lighting installations, each and every element was designed and created exclusively for the duo's collaboration with Modernica, the building's owner, fully utilizing the factory's extensive technical capabilities.
