Présentation de l'éditeur

Join Lil' Merl on his quest to find the dastardly dragon in this illustrated activity book, with a surprise ending! The dastardly dragon burnt the castle to smithereens and it's up to our little wizard friend, Lil' Merl, to track him down. But sometimes the path is trickier than it seems. Through word puzzles, crosswords, coloring in, dot-to-dot and mazes, we help Lil' Merl draw closer to the fiendish villain and meet some fantastical creatures along the way. *Biographie de l'auteur*

Liam Barrett is a British artist based in Bristol, UK. His activity book *Time to Make a Monster* has been published by Nobrow and his works have featured in major publications such as *Vice* and *Computer Arts Magazine*.
