For over 20 years Thés de la Pagode, advised by local experts, selects China's best teas to bring you both the highest levels of quality as well as real health benefits. Each tea made by Thés de la Pagode is the result of unique and exceptional blending, working exclusively with qualified and experienced local experts to select the best leaves and create high-quality teas. All Thés de la Pagode teas are Organically Certified to justify their motto: Healthy Enjoyment.

Thés de la Pagode use imperial or fine picking methods: the young shoots or "pekoe" are picked in springtime, from small gardens high in the mountains. They are then prepared and preserved using ancient Chinese methods.

Hao Ling tea is an extremely rare Pu-erh tea from the Yunnan province of China. It is grown in the "Six Tea Mountains" region using traditional Chinese methods, which gives it its delicate, subtle taste.

It is known for tasting full and sweet, as well as for its numerous health benefits, in particular as a stabiliser of bad cholesterol levels and triglycerides, as well as being an aid to digestion. It can help reduce feelings of bloatedness after eating.
